The Pizza Man

Published on: July 09, 2013) In: MY Dining & Drinks

In my travels I found a true authentic pizzeria called Mark Rich's New York Pizza and Pasta.

We met Mark Rich, originally from New Jersey, and he knows pizza.

His thin crust pie is considered one of the better pies in the Las Vegas valley.

Mark shared that the fresh pizza dough is made twice daily, and all of the pizzas are hand tossed and just like in New York and New Jersey, everything is made to order.

Guests are encouraged to tell Mark Rich's how you like your pizza and they will make it the way you like it. Pizza favorites offered are "The Works" (Green Pepper, Pepperoni, Olives, Onions, Mushrooms, and Sausage) and the "White Pizza" (Three Cheeses and No Red Sauce).

Mark Rich's also has Sicilian Thick Crust as well as Gluten free Pizza and Pasta. They offer very popular dishes like Baked Calzones, Fettuccini Alfredo, Shrimp Scampi, and Grilled Sausage and Green Peppers with Ziti. Sandwiches are also on the menu including such choices as Sausage Parmigiana, Italian Beef Cheese Steak and many, many, more to choose from.

Mark Rich's has one location that offers wine and beer service with a great "Back East Ambiance" and a real at home feeling.

Mark Rich's NY Pizza and Pasta is located at:

11710 West Charleston Blvd. Suite 150

Hours of operations are Sunday through Thursday 10:00 AM – 9:00 PM and Fridays and Saturdays 10:00 AM – 10:00PM.
