"A Great Find"

Reviewed April 11, 2014

"Nice Atmosphere!"

Reviewed August 24, 2013

It is a safe, quiet nestled restaurant where we tried the pizza and it was nothing to write home about. Decent but had better pizza elsewhere in town. We may give it another try and take home one of the pasta dishes instead.

“Gluten Free offered, but not safe if you're sensitive!!!”

⊙⊙⊙⊙⊙ Reviewed March 11, 2013 via mobile

I was so excited to eat some gluten free pizza while in Vegas and drove about 30 minutes off the strip to get here. Since I'm pretty sensitive to contamination I asked the waitress about the cooking process, just to make sure it was all good. She was reluctant to say (when pushed) that they cook the GF pizzas in...

Love the pizza and meatballs. Good standard Italian menu but we always get delivery from here when we're lazy.

“Great Pizza, Fun Service”

🟢🟢🟢🟢🟢 Reviewed October 29, 2012

This is a small storefront dive. We started coming here because they were in the Entertainment book, but once the coupons were done, we just kept coming back. Their pizzas and calzaones are delicious.

“Great NY Style Pizza”

Great friendly service, the pizza was a nice thin crust NY style pizza that was hot, fresh and delicious. I would definitely eat here again.
